First Message: Received

Hi, this is Laureen Allen. I'm calling fromtribe and um I really would like to talk to you guys because I'm going against what was said and I did not know that our tribe, our tribal attorneys said 'don't bother us again' which was not a thing that... we were just gonna wait and then do it So, I want to be able to put this in our, in our paper at a very reasonable cost. And I apologize for this Please call me at 605-864-0131 otherwise, I'll call you later today. Thank you (recorded over 12 days ago at 2...)

Heidi, this is Laureen Allen from Dakota Journal. Sorry I haven't been in touch with you sooner. I was in Washington D.C for a week and then I ended up with pneumonia and went into the Hospital for a week. So, I apologize for all this inconvenience. Um, they gave us the O K to run it and then they asked for us to not run it because um, Shakopee had given us a million dollars and I don't think they've gotten a check so,I feel awful about this because I want this ran and I don't know what else I can do other than keep them and with me being gone it did not help the situation at all. So, I just wanted to say I'm sorry and I.....keep working on them and um, be in contact me. Alright, thank you.
